

A+ Archer News

Weekly News April 17th

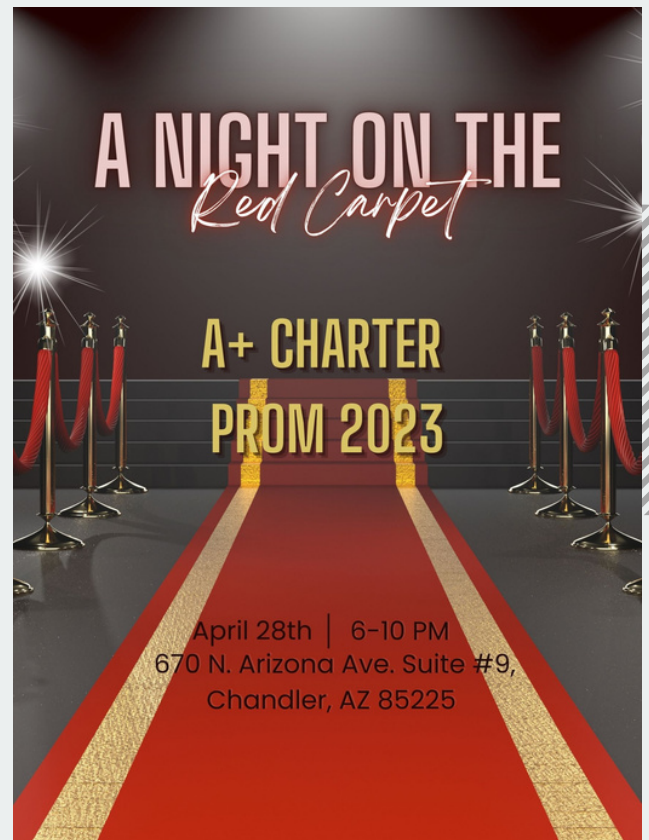

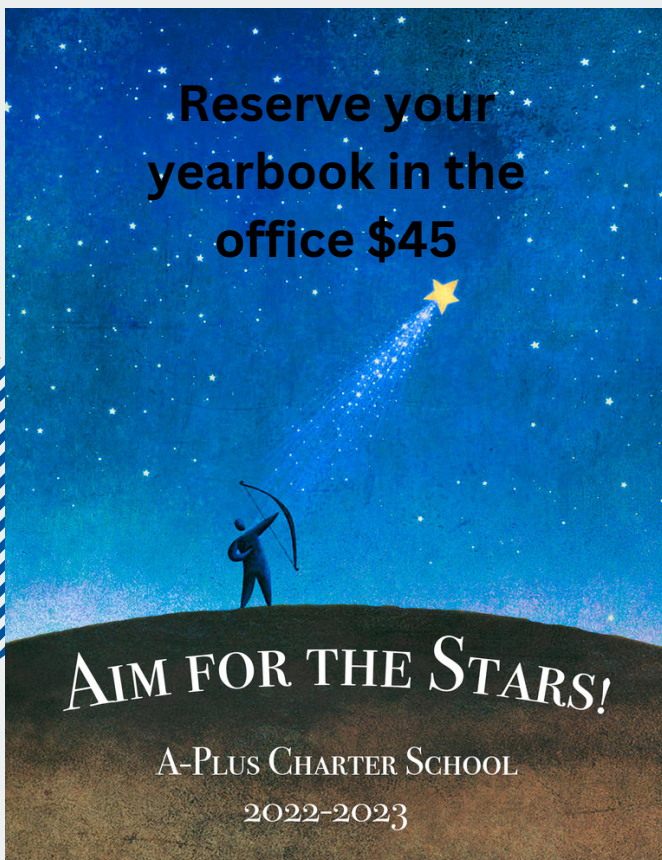

Dear Archers and Parents,

We hope this Newsletter finds you well. I want to share with you great news; our 4-day week schedule was just approved by the state Board. It is official now that next year our students will have school Monday through Thursday, with Fridays off.

With this new schedule, we all have new responsibilities; attendance will be highly monitored every year to ensure that this new schedule can continue every year. Our website has the new updated schedule, and our student handbook will be updated this Summer. We are expecting our school Board to approve many important adjustments in several of our policies. I will be communicating some of these changes every week to give you all an opportunity to access in our student handbook before you sign off during the first week of the school year 2023-2024.

Kind regards,
Rachele Reese
Principal
