

A+ Archer News

Weekly News April 24th

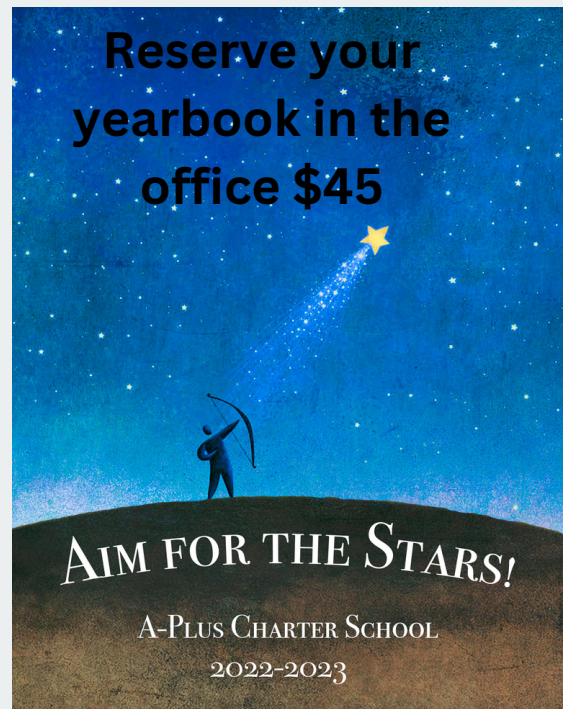

Dear Archers and Parents,

We hope this Newsletter finds you well. We are excited about the fact that our expansion amendment has been deemed "substantively complete" at the state level, which means that it is going in front of the State Board on May 8th, for final approval. As soon as we get this final approval, we will let everyone know more details, including the official addition of 6th grade so that you can get your 6th grade students officially enrolled.

Parents, as the end of the school year quickly approaches, we strongly encourage you to review your children's grades to avoid summer school and/ or loss of credits. You can check your child's grades on the Tyler Portal, student 360 app or have your child show you their grades on their student portal. If you have concerns, please contact your child's teacher.

Kind regards,
Rachele Reese
Principal
