

A+ Archer News

Weekly News April 3rd

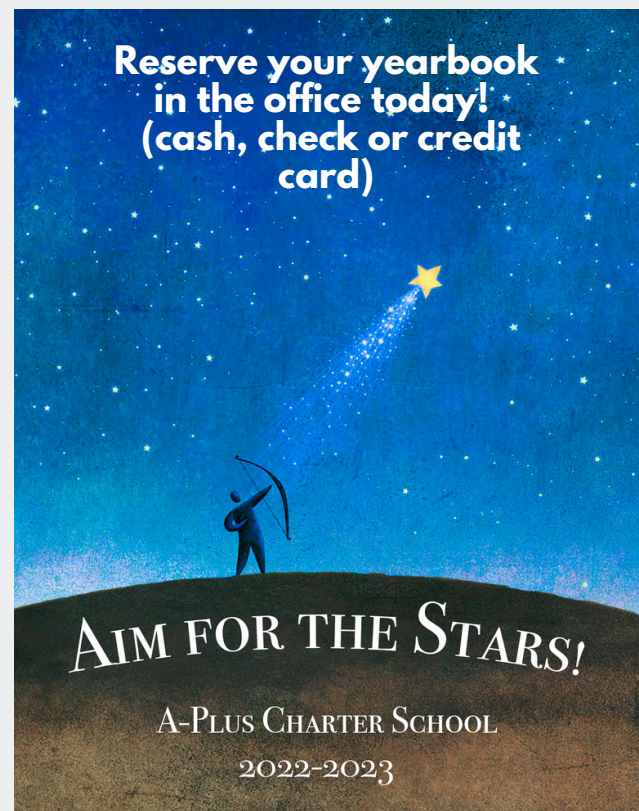

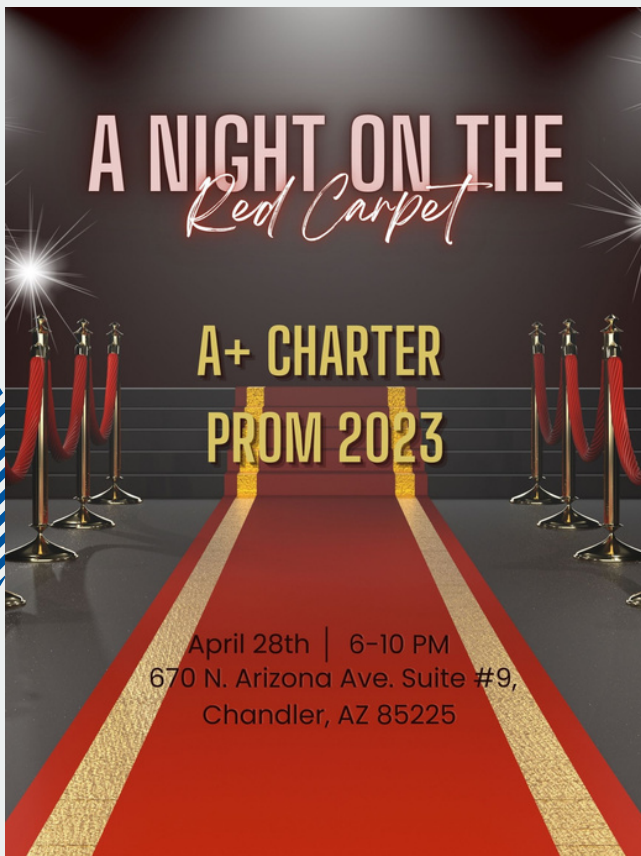

Dear Archers and Parents,

We hope this Newsletter finds you well. There will be NO School this Friday, we hope you enjoy the extra long weekend with your family.

State Testing has begun this week, beginning with the AzSCI test for 8 and 11 grade students (they took today). It is important that your child gets a good night's rest and they eat a healthy breakfast. Please make sure your child is on time to school to ensure they receive testing instructions and to avoid make up testing. Testing will continue next week for additional grades. Please refrain from picking up your children early from school for the next two weeks, so that they have enough time to complete their testing.

Kind regards,
Rachele Reese
Principal
