

A+ Archer News

Weekly News August 15th

Dear Archers and Parents,

I hope this newsletter finds you all well. Week #3 is in the books. Our first fire drill was successful; it only took under 4 minutes to account for every person in the building. We are always striving to do better in this area. Also, thank you all for your help in ensuring that your children are wearing their ID cards.

Absences and tardies, however, are an area in which we would appreciate your help. After only three weeks of school, we are already noticing an increase. Please, remember that there is a vast amount of research supporting the fact that students with a good attendance record are more likely to do well in school and become successful in college and career.

NWEA Benchmark Testing August 23rd/24th! Parents, please be sure that 1. Your child is here next week and on time and 2. Students are eating a good breakfast prior to coming to school. This will help students be successful!

Sincerely,
Rachele Reese
Principal
