Weekly News August 22nd

Dear Archers and Parents,

I hope this newsletter finds you all well. NWEA Benchmark Testing is taking place this week. Please continue to help us in making sure that your child is here the entire week and eating a good breakfast prior to coming to school. This initial assessment is important as we can later on have a base to compare data and make necessary instructional adjustments.

Please continue to support us in the area of absences and tardies.; these are areas that will help your children later on in their careers. As a reminder, after three tardies to school, early morning detention will apply, and if it becomes repetitive, Saturday School will be required.

Read the flyers below for information on free internet or go to getmyinternet.org to see if you qualify.

Sincerely,
Rachele Reese
Principal
