

A+ Archer News

Weekly News August 29th

Dear Archers and Parents,

I hope this newsletter finds you all well. We have wrapped up our first NWEA benchmark test of the school year. We were very impressed with how students approached the test. Students worked hard and took their time. This test allows teachers to successfully plan the best instruction for your child, and track growth throughout the year!

Please continue to support us in the area of absences and tardies.; these are areas that will help your children later on in their careers. As a reminder, after three tardies to school, early morning detention will apply, and if it becomes repetitive, Saturday School will be required.

There will be hearing and vision testing on Thursday September 1. Please call the office if you have any questions or wish for your child to not get tested.

Sincerely,
Rachele Reese
Principal

Student 360

Do you know there is a mobile app you can download to your cell phone or tablet? The app is called student 360. On this app you can:

- View Grades
- Check your child's attendance
- Track Homework assignments and student achievement
- Email your child's teacher and much more!

If you are not able to download the app on your phone, view our website at <https://www.aplusaz.org/> to view the portal

Lunch Information

Reminder ALL students need to pre order their lunch for the month. This includes free and reduced lunches. If your child does not place an order they will not be guaranteed the lunch menu items.

Order lunch at ezschoolapps.com

Sports

We are excited for fall sports as they come to a start! Reminder all athletes need to pay their fees prior to their first game. Payments can be made in the office by cash, check or credit card.
