

A+ Archer News

Weekly News February 6th

Dear Archers and Parents,

I hope this newsletter finds you all well. We are proud to share great news about one of our students. Our A+ Archer, Ariana Fierro was nominated by CAC to be invited to join the National Society of Leadership and Success (NSLS). The NSLS is an organization that provides a life-changing leadership program that helps students achieve personal growth, career success, and empowers them to have a positive impact in their communities. With 748 chapters, the NSLS currently has 1,769,182 members nationwide. Ariana is a Senior and has been diligently balancing both high school classes and Central Arizona College (CAC) classes during her Junior and Senior year and has maintained a 4.0 GPA average at CAC.

Ariana has completed the necessary steps for the leadership development program required to become a full inducted member: Orientation, Leadership Training, Speaker Broadcasts, Success Networking Teams, and Induction. Ariana has gained exceptional benefits as an active member of NSLS and plans on utilizing her membership to further develop her leadership skills. As an inducted member, Ariana has access to the following benefits: Mentorship, Scholarships, Jobs & Internships, Community& Events, and access to Speaker Series. Congratulations Ariana!

We are again noticing an influx of late students arriving to school. The front gate will be closed when the first bell rings at 8:25am. Students after 8:25am will need to enter the front door. All students should be in class when the second bell rings at 8:30am, in order to avoid being marked tardy. After the third tardy there will be an early morning detention consequence. We appreciate your continuous support to ensure your child receives the most out of their instructional time.

With the school growth expected for next year, We are looking to add staff to our A+ team! We are asking any parents with a degree who would like to join our team in this exciting journey to apply online and attend our Job Fair on February 11th. See flyer below, we are also looking for a Certified Culinary Teacher, and several part-time elective teachers.

Thank you and have a great week

Kind regards,
Rachele Reese
Principal
