

A+ Archer News

Weekly News January 16th

Dear Archers and Parents,

I hope this newsletter finds you all well. As a reminder, **there are three days left for re-enrollment**. It is very important that you re-enroll your child at this time to secure your spot before we open enrollment for everyone else on January 23rd. Check your email sent last Friday for more information.

We are currently submitting for state approval an ammendment to add 6th grade for next year. If you are interested in having your child at A+ for 6th grade call the office to be added to the interest list.

Tutoring

We are offering free tutoring for any students interested in getting extra assistance in math. If your child is interested in this opportunity please call the office to be put on the list. Limited spots are available per session.

Baseball Information

Baseball preseason is beginning today at A+ field from 4-5:30pm. Bring baseball pants, gloves and running shoes. Registration at Register My Athlete must be completed and physicals must be turned into the office or Coach Reese prior to participation.

Sincerely,
Rachele Reese
Principal
