

A+ Archer News

Weekly News January 23rd

Dear Archers and Parents,

I hope this newsletter finds you all well. We are excited with many positive changes we are working on and will let you know as soon as we get the approval from the state. With the school growth expected for next year, we are looking to add staff to our A+ team! Any parents with a degree are encouraged to apply online and attend our Job Fair on February 11th.

There was a survey sent out earlier today in which we would like to hear your feedback. There will be another important survey sent out in the next week on some important topics; such as lunch, bell schedule, school calendar and more. We would love to hear from our A+ families on what their thoughts are, and receive your input on these subjects.

Open enrollment starts today! There are limited spots available for the 2023-2024 school year. If you have any additional children that you would like to enroll, you can visit the office or enroll at aplusaz.org. If you have any questions call 520.265.5589.

One of the changes we are currently proposing and waiting for state approval is an amendment to add 6th grade for next year. If you are interested in having your child at A+ for 6th grade call the office to be added to the interest list. Thank you and have a great week!

Kind regards,
Rachele Reese
Principal
