Weekly News January 30th

Dear Archers and Parents,

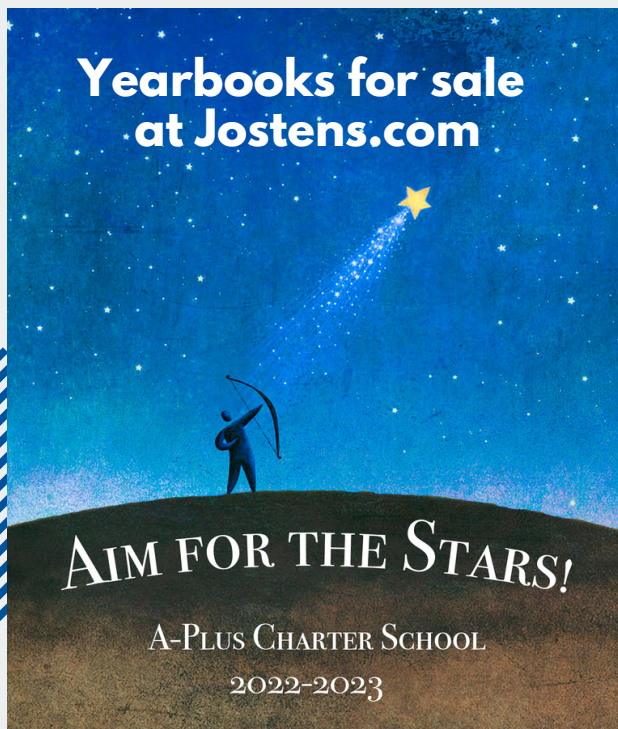

I hope this newsletter finds you all well. We continue to work on positive changes for our school calendar; the one posted on the website is temporary, as we wait for final approval for the one we are proposing. With the school growth expected for next year, We are looking to add staff to our A+ team! We are asking any parents with a degree who would like to join our team in this exciting journey to apply online and attend our Job Fair on February 11th. See flyer below, we are also looking for a Certified Culinary Teacher, and several part-time elective teachers.

Senior graduation is on Wednesday, May 24th at Elements Event Center @Ak-chin Circle. Graduation ceremony will start at 6pm. Detailed information will be sent out in a separate email to seniors and their parents.

8th grade promotion ceremony will be on Thursday, May 25th at Elements Event Center @Ak-chin Circle. Promotion ceremony will start at 9am. Detailed information will be sent out in a separate email to students and their parents.

As a reminder, we are currently proposing and waiting for state approval on an amendment to add 6th grade for next year. If you are interested in having your child at A+ for 6th grade call the office to be added to the interest list. Thank you and have a great week!
