

A+ Archer News

Weekly News March 27th

Dear Archers and Parents,

We hope you enjoyed your Spring Break with your families. We are already at the second half of the last semester for this school year! Your child's grades are available online through the Tyler Parent Portal, the Student 360 app, or your child can show you their grades through the student portal.

There were some important emails that were sent out over break, please read those at your earliest convenience. If you would like to receive text messaging option along with email notifications, see the flyer below for instructions on how to opt in.

State Testing begins next week, April 4th beginning with the AzSCI test for 8 and 11 grade students. It is important that your child gets a good night's rest and they eat a healthy breakfast. Please make sure your child is on time to school to ensure they receive testing instructions and to avoid make up testing.

Congratulations to Noah C. for placing 1st in the 400m, 1600m, 3200m! He also broke a record for the 400m with a time of 53.40! Noah was also named Junior High Runner of the Year for the second year in a row!

Nia L. placed 1st in the Triple Jump and 2nd place in the Long Jump! Congratulations Nia!

Kind regards,
Rachele Reese
Principal

Parents and Guardians

You can take advantage of our Text Messaging Service

Our school utilizes the SchoolMessenger system to deliver text messages, straight to your mobile phone with important information about events, school closings, safety alerts and more.

You can participate in this free service* just by sending a text message of "Y" or "Yes" to our school's short code number, 67587.

You can also opt out of these messages at any time by simply replying to one of our messages with "Stop".

We recommend saving this short code and Caller ID to the contacts on your phone. This will help prevent any 3rd party call blocking systems from interfering with your receipt of important messages sent by the school or district.

SchoolMessenger is compliant with the Student Privacy Pledge™ so you can rest assured that your information is safe and will never be given or sold to anyone.

Opt-In from your mobile phone now!

Just send "Y" or "Yes" to 67587

Information on SMS text messaging and Short Codes:

Our notification provider, SchoolMessenger, uses a true SMS protocol developed by the telecommunications industry specifically for mass text messaging, referred to as "short code" texting. This method is fast, secure and highly reliable because it is strictly regulated by the wireless carriers and only allows access to approved providers. If you've ever sent a text vote for a TV show to a number like 46999, you have used short code texting.

*Terms and Conditions - Message frequency varies. Standard message and data rates may apply. Reply HELP for help. Text STOP to cancel. Mobile carriers are not liable for delayed or undelivered messages. Alerts sent over the wireless Public Alerting system are to take precedence over any notifications sent via the short code. See www.schoolmessenger.com/tn for more info.
