Helen's Kitchen and Catering as A+ Charter Schools Lunch Program

Helen's Kitchen and Cafe will be the exclusive Lunch Program partner of A+ Charter Schools for the 2023-24 school year.

This will replace the National School Lunch Program that we felt didn't adequately address the nutritional needs of our students. Lunch will include a main entree, a Helen's side, and a full salad bar for \$6. Indeed, this will be the "best" school lunch in Maricopa. Details to follow.

Kind regards,
Rachele Reese
Principal
