

A+ Archer News

Weekly News November 14th

Dear Archers and Parents,

I hope this newsletter finds you all well. **Get ready for FAFSA!** On Wednesday, November 16, 2022 at 6pm Financial Aid Night will take place here at A+ in the multi purpose room. All are welcome to this event and most of all our seniors and their parents/guardian(s) who plan to attend college or a training program after graduation. This will be presented by Mr. Wong and a GCU representative to help our archers and their future. This night will give you some insight on things such as: FAFSA and the financial aid process scholarships, grants, changes, and updates, and more. This is a chance to get ready and prepared financially for college or a training program. Don't miss out on this great opportunity, make sure you attend financial aid night.

Archer Attic Store Coming Soon!

Archer Attic will be a donation-based store within the school that is open for students and staff to come and take what they'd like. It is a student initiated project, started by students in the Community Building class. The Archer Attic will carry things such as clothing, food, shoes, hygiene products, and school supplies and will be located in the old teacher's lounge upstairs and open after school. As of right now we are currently looking for donations to put in the attic, so if you have any of the aforementioned items that you've been looking to give away, feel free to bring them to A+ charter school for the Archer Attic!

Sincerely,
Rachele Reese
Principal
