

A+ Archer News

Weekly News October 24th

Dear Archers and Parents,

I hope this newsletter finds you all well. We are happy to have our students continue to grow with Project base learning. As you may recall we adopted a PBL fee at the beginning of the school year. Thank you to all who have already paid. This one time general PBL fee was in lieu of different course fees. You can pay the fee of \$50 in the office with cash, check or card. If you have any questions you can call the office.

Basketball tryouts start today and will end on November 11th. *Athletes must have their physical and Register My Athlete registration completed before try outs.* See below flyer for more details.

*Important Testing Information

PSAT Test for Sophomores Tuesday, October 25th.

Parents, please make sure your child comes to school on time, and well rested!

Sincerely,
Rachele Reese
Principal

ESPORTS
