

A+ Archer News

Weekly News October 31st

Dear Archers and Parents,

I hope this newsletter finds you all well. I purposefully waited to send this newsletter today instead of yesterday (Monday) because today the official school grade letters came out and I wanted to share the good news with all of you. A+ received a solid B as a letter grade, during our first year being graded by the state. These are great news that I wanted to share with all of you. This is a credit to your continuous support as parents, our students and our highly qualified teachers that we received this B. Thank you all!

As a reminder Basketball tryouts will end on November 11th.

Sincerely,
Rachele Reese
Principal
