

A+ Archer News

Weekly News September 5th

Dear Archers and Parents,

I hope this newsletter finds you all well. We hope you enjoyed the long weekend! There are only four weeks left in the quarter. Progress reports will be handed out during Student Led Conferences on September 28-30th. This will be open house style to fit your schedule. If you would like to check on your child's grades now, log into the parent portal at www.aplusaz.org.

Banner, Sunlife Family Medicine, and the Pinal County Public Health Services District are partnering to conduct a Community Health Needs Assessment. In order to best serve the needs of communities within Pinal County, it is vital that we hear from the residents of Pinal County! Don't forget to take a few moments to complete the survey. As an added bonus, survey participants can enter a drawing for one of ten \$50.00 gift cards. The survey will only remain open until September 30th. (see flyer below)

Sincerely,
Rachele Reese
Principal

Have you taken the 2022 Community Health Needs Assessment?

9/15- Fall Picture Day

9/28-9/30-Parent Teacher Conferences- Half Days

Welcome Mr. Santacasa

We are excited to introduce our new PE teacher Peter Santacasa. Peter is an Arizona native born and raised in Tempe, AZ. He attended Marcos De Niza High School, where he won state championship in golf. He also won a national championship at Scottsdale Community College. He attended High Point College in North Carolina where he received his bachelors degree. His biggest achievement is being the first one in his family to graduate college. Peter has coached golf for over 20 years and has been a Pro Golfer himself! He is excited to coach the golf team this year at A+!

Archer Target Practice

We will be hosting our first 'Parent University' style forum on Wednesday, September 14 at 6:30pm. The purpose of these events is to assist parents in navigating the changing world of college and career readiness as well as social and emotional learning strategies for our young people.

For our September program, we will discuss Arizona High School Graduation Requirements (Honors, General, Completion Diplomas), College Admissions and changes to State Testing (PSAT, ACT, SAT, etc.), Trade School Opportunities (CAVIT in Fall of 2023).

These forums are also great ways to share your feedback and suggestions as we continue to build a school that fits our students' individual goals and provide the best opportunity for them to be successful.
